WILSEY BIBLE TRAINING CENTER

Wilsey Bible Training Center is a unique, unaccredited, religious-exempt interdenominational, private institution that offers a short term (1 semester) Foundational understanding of the entire Bible. We are not accredited, nor are we seeking accreditation, so as to be free from outside control and remain open to the leading of the Holy Spirit.

All Scripture is given by the inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness: That the man of God may be perfect thoroughly furnished unto all good works. 2 Timothy 3:16,17

We desire to continue in our independent standing so as not to compromise the integrity of the vision or direction the Lord has given to WBTC. We believe that the credibility of WBTC is not in accreditation, but in the fruitfulness and surrendered lives of the students who have attended.

You are our epistle written in our hearts, known and read by all men." 2 Corinthians 3:2

WBTC is a realized vision for a Bible School that prepares Christian workers in the Word of God from Genesis to Revelation. Our students will be prepared for missions, Sunday school teachers, or a Bible study leader, with a personal confidence in the full knowledge of the Bible.

As a train moving through the country stopping at stations, our teaching at WBTC is systematic, as a tour guide moving through the Bible. Stopping at places to learn interesting background of the times and events in the Old and New Testaments, our students acquire deeper understanding of God's Salvation Plan from the beginning to the end of time.

We encourage our students to return to their home ministry and receive their next assignment. Whether it is attending a traditional Bible College, teaching Sunday school, or missions. Our goal is for each student to . . .

"Study to show themselves approved unto God, a workman that need not be ashamed, rightly dividing the word of truth." 2 Timothy 2:15

It is the most effective learning when a student enrolls for the full 16 week semester program to get the most benefit from this unique style of Bible teaching. They will learn the practical areas of ministry along with the teaching such as cooking, maintenance training and various building projects that will prepare them for every area of ministry home and abroad.

Note: We are open to approved short-term students for one or two-week sessions as they are able, such as parents or extended family members who desire Bible Understanding but are unable to stay the full 16 weeks of a semester, consecutively.
